

# Professional Qualification in COMMUNITY DEVELOPMENT MANAGEMENT

## Level 6 Diploma

### Unit 1 - Community and Inter-Agency Working

#### Question 1

John is collaborating with a local school to raise money for a new library. **Explain** the importance of sharing skills, knowledge, and expertise to ensure the fundraiser is a success. (20 marks)

#### Question 2

**Discuss** the advantages and disadvantages of working in partnership with other services and agencies. (20 marks)

#### Question 3

**Explain** the common collaboration problems that impact the effectiveness of multi-agency working. (20 marks)

#### Question 4

**Discuss** factors which can contribute to the failure of a community project due to the constraints of working with different agencies. Use examples to support your answer. (20 marks)

#### Question 5

**Differentiate** between the key functions and responsibilities of local authorities and community organisations, and discuss how these differences can lead to tensions when these bodies work together. (20 marks)
